

# The London West Hollywood

A MEMBER OF LXR LUXURY RESORTS & HOTELS, THE LONDON WEST HOLLYWOOD ([www.thelondonwesthollywood.com](http://www.thelondonwesthollywood.com)) is an all-suites property perfectly situated in the Hollywood Hills, offering guests uncomplicated luxury and an unpretentious attitude. Formerly the Bel Age Hotel, the property has undergone a complete evolution in design and amenities, styled by the renowned David Collins Studio.

The hotel's 200 guest suites are spacious, light, and uncluttered, yet cozy and intimate with amenities that speak to the needs of the modern traveler. Each suite's unique open floorplan presents unobstructed views through a private terrace to the West Hollywood landscape. The hotel's signature restaurant and bar, café, in-suite, and poolside menus, as well as catered affairs, is under the direction of Michelin-starred chef Gordon Ramsay. The hotel also presents attractive social spaces such as an elegant lobby, a landscaped courtyard, and a "hidden garden" rooftop pool deck with panoramic views of the Los Angeles skyline. Other hotel amenities include onsite fitness facilities and the Alex Roldan Salon, and guests have 24-hour access to service experts who can help fulfill any desire. In addition, the hotel boasts 15,820 square feet of both indoor and outdoor meeting space, and offers state-of-the-art telecommunications and audio/visual equipment, as well as complimentary Wi-Fi and onsite technical support.

Guests seeking the best the property has to offer may request the One-Bedroom Suite. At 1,250 square feet, the space encompasses a living room and separate bedroom connected via an internal door, which can be closed and secured. The bedroom offers a king bed dressed in luxury Italian linens, facing an unobstructed view through a private terrace to the West Hollywood landscape, while the separate living area offers an ergonomic work desk, dining area, chaise sofa, and an additional terrace with outdoor seating. Both rooms feature their own bathrooms, marble-topped desks with convenient docking outlets for laptops and cell phones, complimentary wired and wireless high-speed Internet access, iHome iPod docking stations, two-line speaker phones with voice mail, and LCD flat-screen televisions. ●
