

Hard Rock Hotel New York The Rock Star Suite

Hard Rock Hotel New York (hardrockhotels.com/new-york), located between the Theater District and Radio City Music Hall, offers extraordinary entertainment venues in the heart of Times Square, 446 guestrooms and suites across 36 floors, and innovative dining. Guests can experience the world's most iconic skyline from RT60 Rooftop Bar & Lounge, while being steps away from Broadway, Rockefeller Center and Fifth Avenue shopping.

The property offers The Rock Star Suite, a sky high, bi-level penthouse with original artwork and music memorabilia from some of the world's greatest performers. With double-height floor-to-ceiling windows, the suite offers an open-plan living and dining space with bar and butler pantry that leads out to a 1,600 square foot terrace furnished with day beds, lounge seating, and an outdoor bar. Guests enjoy VIP access to RT60 Rooftop Bar & Lounge via the private entrance and, after the last set winds down, they can retreat to their second-floor bedroom and soak in the city lights from the freestanding tub. ●
