## *Silversea Cruises*

SILVERSEA CRUISES ([WWW.SILVERSEA.COM](http://WWW.SILVERSEA.COM)) is a recognized innovator in the luxury cruise segment, offering large-ship amenities aboard four intimate vessels: *Silver Cloud*, *Silver Wind*, *Silver Shadow*, and *Silver Whisper*. With the addition of the expedition ship Prince Albert II, the company's itineraries encompass all seven continents.

And now, with the 2009 Silver Links program, Silversea allows travelers to feed their love of adventurous travel while satisfying their passion for golf on 13 golf-themed cruises aboard *Silver Shadow* and *Silver Whisper*. The voyages offer optional golfing excursions in multiple ports, arranged and escorted by the ship's golf professional. From the breathtaking Pacific scenery of the Cape

Kidnappers Golf Club in Napier, New Zealand, to the narrow fairways and mountain terrain of the elegant Monte Carlo Golf Club, or the rolling hills and lush Caribbean landscape of the St. Lucia Golf and Country Club, guests can perfect their game with priority tee times at challenging and revered courses throughout the South Pacific, the Mediterranean, the Caribbean, and Mexico.

The golfing excursions vary in price and include transfers to and from the courses, the use of pull or power-drive golf carts, and green and applicable caddy fees. Guests can leave their clubs at home; Nike golf clubs and accessories are available to rent or purchase.

Each Silver Links voyage also gives guests the opportunity to advance their game aboard

ship, with the help of a certified PGA-classed golf professional, who is available to organize personalized instruction, specialty group clinics, demonstrations, and even putting contests. Golfers can further hone their skills with sophisticated split-screen swing analysis, utilizing PGA.com's preferred instructional software and technology. While some group activities are complimentary, there is a fee for private lessons and swing analysis.

As with all Silversea cruises, Silver Links guests enjoy ocean-view accommodations, award-winning gourmet cuisine, and a selection of all-inclusive shipboard amenities, including complimentary beverages, wines, and spirits, 24-hour room service, an in-suite beverage cabinet, and all gratuities. ●
