

# London's Best Suites.....

## The Landmark London

REPRESENTED BY LEADING HOTELS OF THE World and situated in the superbly stylish Marylebone area, the five-star deluxe The Landmark London ([www.landmarklondon.co.uk](http://www.landmarklondon.co.uk)) is just a short walk from Regents Park and Madame Tussauds. Dating back from 1899, the gothic, Grade II listed building was constructed as the last of the great railway hotels during the golden age of steam. The property offers 300 elegant guest rooms and suites, some of the largest in the Capital, and blends sophisticated decor with the latest amenities and technology to cater to guests' needs.

The Landmark London is renowned for its magnificent eight-story, glass-roofed central atrium where guests can enjoy afternoon tea under the soaring palm trees. The newly launched twotwentytwo restaurant and the chic and sophisticated Mirror Bar are popular with

A-list celebrities. The Spa & Health Club boasts a 15-meter semi-ozone pool, a sanarium, and an extensive treatment list.

The Landmark London has taken luxury to a new level with the introduction of its lavish new "Lifestyles Suites" experience, which is available within the hotel's eight newly designed and fully refurbished suites. Dedicated Lifestyles Specialists ensure guests enjoy a personalized experience, whether indulging in complimentary amenities at the hotel such as a private bar, laundry and dry cleaning, movies, spa & health club entry, high-speed Internet access, and a traditional English breakfast in The Winter Garden, or for theatre tickets or other events outside the hotel. Guests can choose from one to three bedroom suites. All the suites feature king-size beds, satellite televisions, DVD players, laptop safes, and electronic "Do not disturb" buttons, as well as large marble

bathrooms with two vanity units, separate toilets, walk-in showers, and Molton Brown toiletries.

Lifestyles will also be offered within the newly renovated Presidential Suite, which offers a working fireplace, walk-in wardrobe with six meters of hanging space, a double-ended bath, and a grand king-size bed. Additional features include 42-inch televisions in both the lounge and the dining room, a 32-inch television in the bedroom, a DVD and CD player, an iPod docking station, wireless Internet, and the latest Denon Sound System with cinema surround sound.

For a unique property featuring the best in modern and period decor, The Landmark London is a top pick for the sophisticated traveler. ●
