

World's Best Suites

The Lanesborough

A MAJESTIC AND SERENE TREASURE OVERLOOKING LONDON'S Hyde Park, The Lanesborough (www.lanesborough.com), is perfectly positioned in elegant Knightsbridge. As a St. Regis Hotel, the five-star ultra-deluxe property delivers unsurpassed attention to detail and world-renowned service. The Lanesborough offers guests 50 rooms and 43 suites to choose from, decorated in Regency style, evoking the ambience of a 19th century town house. The property is conveniently located just minutes from the exclusive shopping of Harrods and Sloane Street.

Travelers will delight in the property's most exquisite offering, The Lanesborough Suite, which reflects a perfect blend of 19th century elegance and contemporary sophistication.

In excess of 4,000 square feet, the opulent space is one of the largest and most luxurious accommodations in London befitting royalty, visiting heads of states, and industry leaders. The suite boasts four bedrooms, two living rooms, five-and-a-half bathrooms, a kitchen, and a dining room ideally situated for those looking to entertain.

In addition to 24-hour butler service and other indulgent amenities, The Lanesborough Suite includes a complimentary chauffeur-driven Rolls-Royce Phantom, guaranteeing that guests continue their travels in comfort and style. ●

Clockwise from top left: The two Lanesborough Suite living areas, two of the four bedrooms, and a dining area

"Alberto Pinot's approach to residential decor perfectly complements the unique style of The Lanesborough. With two living rooms that are popular with families, five-and-a-half bathrooms and floor-to-ceiling views set it apart from the competition."
