Sandals Resorts International**

SANDALS RESORTS INTERNATIONAL (SANDALS.COM; SRI), PARENT COMPANY OF Sandals Resorts, Beaches Resorts, and Grand Pineapple Beach Resorts, opened the doors to its newest and most contemporary Luxury Included® resort, Sandals LaSource Grenada Resort & Spa, in December 2013. Situated on 17 acres of stunning land along the pristine Pink Gin Beach, Sandals LaSource Grenada offers guests the highest level of luxury with Sandals' most elaborate accommodations to date and nine global gourmet dining options with the brand's very first steakhouse. The property boasts a total of 225 rooms housed within three distinct villages: Pink Gin, Italian, and South Seas.

Perched upon a cliff overlooking the resort and breathtaking Pink Gin Beach, the all-new five-story Italian Village consists of 48 rooms with two exclusive river pools at the ground level. Nestled atop the Italian Village, the magnificently oversized Sky Pool suites feature a full living room with a plush sofa, butler pantry, bar, an indoor dining table, a desk with wireless Internet and USB drives, and an HD LED Smart TV. The luxurious bedroom features a king-size bed, a large HD LED Smart TV, and access to a cantilevered private plunge pool with an infinity edge. The bathroom includes two Carrera marble vanities with backlit mirrors, Kohler claw-footed tub, separate frosted glass shower, and water closet. An oversized balcony with double lounge chairs, dining table, and romantic tranquility soaking tub provides the ideal location to enjoy the gorgeous views. Butler Elite service is also

included.

The exotic South Seas Village is also a brand new addition to the resort, consisting of the brand's signature Rondoval suites, top-tier Millionaire suites, plunge pool suites, and luxury and premium rooms.

Complete with its own porte cochere, the magnificent Millionaire suite features a full living room with a wet bar

and dining table. The living room leads to a trellised veranda with whirlpool, double chaise lounges, and exterior dining area. A luxurious bedroom features a king-size bed, large HD LED Smart TV, and direct access to a private plunge pool with an impressive infinity edge. The elegant bathroom includes two Carrera marble vanities with backlit mirrors, freestanding soaking tub carved out of solid stone, frosted glass shower, and water closet. Boasting an added touch of luxury, the bathroom has access to a private grotto carved out of the mountains with an outdoor shower. Butler Elite service is also included.

Showcasing sophistication and comfort, the Rondoval suite circular villas feature a living area complete with a large HD LED Smart TV, indoor dining, and full wet bar. The bedroom boasts a king-size bed, HD LED Smart TV, and elegant flooring made of ivory Patika and porcelain planks with pebble and coral stone accents. The bathroom boasts a large soaking tub carved out of solid stone with waterfall, and his and hers vanities with backlit mirrors. These beautiful villas also boast a large patio with a whirlpool featuring a waterfall, plus a plunge pool with infinity edge and wet lounging area, which can be accessed directly through the bedroom. Butler Elite service is included. ●
