

World's Best Suites

Regent Palms Turks & Caicos

"We've recently refreshed the Palms with new programming and facility updates. The past two years have been a whirlwind for Regent Palms, receiving international acclaim as a leading resort destination by media, travel partners, and guests. None of the recognition would be possible without the Palms' passionate staff—everyone from our highly trained spa therapists to our butlers— who go above and beyond to provide a personalized experience to each and every person who stays with us."

-Karen S. Whitt, General Manager
