

## Four Seasons Resort Orlando at Walt Disney World® Resort

OPENED IN 2014, FOUR SEASONS RESORT ORLANDO AT WALT DISNEY World® Resort ([fourseasons.com/Orlando](http://fourseasons.com/Orlando)) is located within the gates of a residential community, Golden Oak at Walt Disney World® Resort, which is just five miles from Magic Kingdom® Park and four miles from Epcot®. Accommodations include 443 guest rooms and 68 suites with versatile connecting options ideal for families and groups of friends traveling together. Tranquilo Golf Club, a Tom Fazio-designed golf course, offers a tranquil setting with abundant wildlife to enjoy. The Spa offers 18 treatment rooms, and a co-ed indoor and outdoor relaxation lounge. The resort's five restaurants include Ravello, a modern Italian restaurant; PB&G, a Southern poolside BBQ experience; Capa, a 17th-floor rooftop steakhouse with views of the nightly fireworks at Magic Kingdom® Park; and Plancha, offering Cuban American fare at the golf clubhouse.

Visitors who are seeking the best that the property has to offer will appreciate a selection of two first-rate suite types, the Royal and Presidential suites, along with a selection of Grand Suites.

Welcoming and impeccably designed, the 3,300-square-foot palatial Royal Suite can expand to up to a nine-bedroom residence, which then

includes two additional 1,000-square-foot, well-appointed living rooms. A luxurious full-marble bathroom offers an in-mirror television, deep-soaking tub, separate glassed-in shower, large vanity, and a separate water closet. There is also a separate guest powder room. The Royal Suite includes a stunning living area and dining room, a separate media room, a private office, and an expansive wrap-around terrace. Guests will delight in views of the nightly fireworks at Magic Kingdom® Park.

The 2,750-square-foot Presidential Suite offers a relaxed and at-home feeling with a well-equipped office, living area, and dining area with seating for eight. The suite features state-of-the-art sound and electronic systems, including motorized drapery, controlled from a central touch-pad system. A media screen and projector are concealed in the ceiling and drop down electronically for viewing. Guests can enjoy a magnificent view of the iconic Epcot® from their private 16th-floor terrace, offering 800 square feet of stylish outdoor living, including a dining area for eight, a couch, a table, and two chairs. ●
