VISITORS CAN EXPERIENCE THE ULTIMATE IN comfort and convenience at Sofitel New York ([sofitel-new-york.com](http://sofitel-new-york.com)). This sophisticated, 30-story Midtown hotel on West 44th Street offers an array of modern amenities and is conveniently situated near Rockefeller Center, Times Square, Broadway theaters, world-famous restaurants, art museums and corporate headquarters. Guests can choose from 398 spacious rooms on 30 floors, including 52 suites and one presidential suite, all featuring Sofitel's luxurious and unique sleep system, SoBed, featuring feather-top and duvets. The hotel's restaurant, Gaby Brasserie Française, offers a unique dining experience serving cuisine with French flair in a stylish Art Deco setting.

Located on the 24th floor, the Prestige Terrace Suites offer 650 to 1,000 square feet and a private terrace with mesmerizing views of the Manhattan skyline. Guests can relax in style with a king bed and a living area with sofa, minibar, and flat-screen HD TV. The expansive Presidential Suite offers 1,200 square feet and a roomy living area with sofa and flat-screen HD TV, a separate office with desk and fax, and a bedroom with king bed. Prestige Terrace Suites and the Presidential Suite offer an array of premium amenities, including BOSE® music system, wireless Internet access, and Hermès bath products. ●
