SUPERBLY SITUATED IN THE HEART OF MANHATTAN'S UPPER EAST SIDE, Bristol Plaza ([bristolplaza.com](http://bristolplaza.com)) is designed for the discerning long-term visitor to New York. The property provides the comfort and ambiance of residential living with all of the benefits of five-star hotel amenities and service.

Bristol Plaza comprises 130 well-appointed suites with fully equipped kitchens for in-home dining and entertaining. Spacious studio, one-, two-, three-, and four-bedroom floor plans are available in a number of configurations to meet each individual guest's needs. Daily housekeeping service with fresh Matouk linen, Frette terry, Bulgari bath amenities, 24-hour doorman and concierge, a private motor courtyard and in-building garage, complimentary high-speed WiFi and premium cable, individually assigned telephone numbers with message service, and a full laundry and valet service all make a stay at the Bristol Plaza comfortable, convenient, and complete with everything a guest could need.

The property also has an exclusive club that is one of most attractive in

the city. With 20-foot ceilings and large windows on all sides, the gym has the latest equipment, along with in-house trainers and complimentary classes. The 50-foot glass-domed swimming pool opens onto a landscaped, rooftop sundeck with cabanas, chaise lounges and spectacular views of Midtown and Central Park. The lounge has beautiful spaces for rest, work, play, and entertaining.

For 2016, Bristol Plaza has created new three- and four-bedroom suites with open floor plan living areas, built-in workspaces, walk-in closets, and luxurious marble bathrooms with double vanities and large showers. These suites, which measure up to 2,000 square feet, are perfect for families or couples who need extra space or room for guests. Bristol Plaza is also in the process of updating the decor of all size suites with transitional furnishings and a calm, neutral color palette.

A stay in a Bristol Plaza offers the utmost in luxury residential living, modern technology, location, privacy, and quiet, thereby creating a serene oasis of peace and calm in the bustling city. ●
