SANDALS NEGRIL BEACH RESORT & SPA COMPLETED AN EXTENSIVE RENOVATION including the reimagination of 72 of the resorts' 226 rooms. These luxurious rooms feature fresh, modern aesthetics with custom-designed furniture, king beds with oversized headboards, and a marble-appointed bath with rainfall shower and long vessel sink with backlit mirrors. All rooms are equipped with a large smart TV and some are walk-outs, allowing guests to simply step out onto Negril's famed seven-mile white sand beach.

The most spectacular of these rooms are the all-new Sunset Loft Suites, which debuted in mid-December for the start of the winter season. These impressive, two-level accommodations feature a spacious, first-floor living area with elegant furnishings, fully stocked bar, and smart TV with Bluetooth capability. A floating staircase leads to the second floor where a magnificently positioned bedroom awaits with indulging amenities including a king-size bed, custom-designed mahogany furnishings, and luxurious marble tile. The lavish bathroom is complete with a bathtub and a soothing rain shower. On the balcony is a tranquility soaking tub for two. These suites also come with Sandals' elite butler service.

This year will usher in the Caribbean's first-ever over the water suites. Perched on a deck floating above turquoise waters, these spectacular accommodations, which are in the midst of construction, feature see-through glass floors for ocean viewing, a tranquility soaking tub, an over-the-water hammock for two, and a private infinity pool. Continuing to enhance the award-winning Red Lane® Spa facilities at the resort, Sandals Royal Caribbean has created four new treatment pods featuring an outdoor shower and soaking tub, as well as a new reception area. The Balmoral, St. James, Buckingham, and Clarence rooms all received soft furnishings, and guests can now enjoy the completed Loyalty & Travel Lounge. The Windsor block's 18 rooms will soon debut a complete refurbishment including custom crafted king-size beds, smart TVs, and new mini bars along with marble-appointed en-suite bathrooms featuring rain showers, long vessel sinks, and back-lit mirrors. Each room will also now feature a new spacious patio and balcony with a tranquility soaking tub for two.

The new Palm Beachfront Suites at Sandals Montego Bay now include 66 completely renovated Club and Butler level guest rooms with stylish teak wood finishes, ocean views and/or beachfront walk-out balconies with sitting areas, fully retractable

glass doors, and private tranquility soaking tubs, as well as lavish spa-style bathrooms with oversized glass rain showers, river stone shower flooring, carrara marble vanities, and long vessel sinks for two.

In addition, Sandals Montego Bay has also debuted four new Beachfront Romeo & Juliet suites, part of the Love Nest Signature Suites featuring king-size beds and two HD smart TVs, separate living rooms, fully stocked wet bars, and spa-style bathrooms with dual-control, walk-in overhead rain showers, soaking tubs for two, twin vessel sinks, and large back-lit mirrors. The suites also boast an extra-large balconies or patios with tranquility soaking tubs for two and bistro sets for beachside relaxation or alfresco dining. A resort favorite, Cucina Romana restaurant has also been renovated with new countertops and backsplashes, lighting, aluminum railings with glass, seat cushions, and signs. ●
