

The Lanesborough London

THE LANESBOROUGH (LANESBOROUGH.COM) OCCUPIES an 1829 landmark building that has been restored to its original grandeur. An Oetker Collection Masterpiece Hotel, the five-star property is situated opposite London's Hyde Park with 93 guest rooms including 43 suites decorated in Regency style and evoking the ambience of a 19th-century private residence. The property is located in elegant Knightsbridge, minutes from the exclusive shopping of Harrods and Sloane Street. Céleste, the hotel's restaurant, is overseen by Chef Patron Éric Fréchon from Le Bristol together with Executive Chef Florian Favario. The Lanesborough also offers award-winning Traditional Afternoon Tea, cocktails in their Library Bar, and an extensive array of rare and vintage cognacs. The property also houses the most luxurious smoking venue in London, The Garden Room.

New for March 2017, the hotel boasts the new 18,000-square-foot Lanesborough Club & Spa, which opened as one of London's finest Members Club & Spa, offering members and hotel guests an unrivalled 360-degree approach to wellness, beauty, and fitness.

Not only does The Lanesborough Suite bear the name of the hotel but it carries every hallmark of its distinguished designer, the great Alberto Pinto: exquisite taste, impeccable craftsmanship, and exacting attention to period detail.

Palatial Regency elegance and luxury extend across the four bedrooms, two living rooms, and dining room, newly reinvigorated by vibrantly restored decor, the very finest fabrics and handcrafted furnishings, and embedded, state-of-the-art conveniences.

Bedrooms incorporate walk-in closets and king-size beds, and bathrooms offer spa baths, separate steam shower stalls, and double vanity units. A galley kitchen provides an entrance for the butler, available around the clock.
