

## 1 Hotels New York

1 Hotels opens the door to a world where the desire for rest and adventure exists in harmony. Where routines are forgotten, rhythms are honored, and rituals are born. Where nature and nurture are 1, and you're free to drift away.

The Riverhouse Suite at 1 Hotel Brooklyn Bridge is a 2,000 square foot retreat designed for comfort, character, and a connection to nature. With two king bedrooms, a separate living area, and panoramic views of the East River and Manhattan skyline, the suite blends luxury with thoughtful details such as a carved stone soaking tub, a curated minibar with house-made cocktail recipes, and original artwork from local artisans. A wood and stone dining table for ten and a leather sofa anchor the living space, while organic cotton mattresses, sustainably sourced linens, and filtered water taps highlight the hotel's mission driven approach. Guests also enjoy a host of included perks, from daily breakfast and a deep-tissue massage at Bamford Wellness Spa to early check-in, late check-out, and priority seating at the hotel's restaurants, which includes Barbuto by James Beard Award Winning Chef Jonathan Waxman. Locally inspired design features, including open-slatted closets modeled after shipping crates and lampshades grown from mushroom mycelium, bring a distinctly Brooklyn touch. Balancing indulgence with sustainability, the Riverhouse Suite offers a modern urban escape that feels both elevated and inviting.

The Two-Bedroom Elm House Suite at 1 Hotel Central Park is a 1,455 square foot retreat that feels like a private urban residence. With two king bedrooms and two and a half bathrooms, the suite invites relaxation indoors and out, featuring a private terrace with lounge seating, a separate patio, and expansive views of Central Park and the city beyond. Inside, a kitchenette, dining room and comfortable living areas are designed with natural materials that echo the park's calming energy, creating a seamless connection between the hotel's interiors and its surroundings. Guests enjoy suite perks including daily breakfast for two, priority seating at Jams, and priority access to the hotel's Audi experience. The 19th floor, also known as the Park Penthouse, offers additional suite and guest room options with sweeping views of Central Park. ●

The Greenhouse Suite at 1 Hotel Central Park is a 1,200 square foot retreat featuring two bedrooms and two and a half bathrooms. Thoughtful touches and a living green wall of ferns and ivy bring the beauty of nature inside, while a kitchenette, separate living room, dining area with seating for eight, and a dedicated media space with a custom modular sofa and lit fabric ceiling panels create a comfortable and versatile environment. The bathrooms feature a Japanese soaking tub, double showerheads, and all-natural Bamford bath products. Panoramic views of Central Park and Manhattan can be enjoyed throughout the suite, bringing the outdoors in. Guests enjoy suite perks including daily breakfast for two, priority seating at Jams, and priority access to the Audi experience.
